

MINI EXCAVATOR ROOT RAKE

Clear roots, rocks, and debris quickly with the Star Industries Mini Excavator Root Rake. Built with high-strength steel tines, this attachment allows soil to fall through while keeping unwanted material—ideal for efficient site cleanup without removing valuable topsoil.

- ➔ Heavy-duty steel construction for demanding jobs
- ➔ 4" tine spacing lets dirt sift through easily
- ➔ Compatible with major excavator brands

FEATURES

- ➔ 1/2" thick tines for strength and durability
- ➔ 48" or 72" working width to meet project requirements
- ➔ Fits Kubota, Bobcat, John Deere, CAT, and more
