

SKID STEER EXTREME DUTY GRAPPLE RAKE

Clear, grab, and move brush, roots, logs, and debris with the Star Industries Grapple Rake. Built for demanding land clearing and cleanup jobs. The curved rake design makes it easy to roll debris into tight piles for loading or burning, while available single or dual independent grapples provide a secure hold on uneven and bulky loads.

- ➔ Available in 72" and 84" widths for a variety of jobsite needs
- ➔ Ideal for land clearing, brush removal, and debris handling
- ➔ Available with single grapple or dual independent grapples

FEATURES

- ➔ Heavy-duty 1/2" steel construction
- ➔ Durable 23 Series teeth for aggressive material handling
- ➔ 51" grapple opening handles large, bulky loads
- ➔ Optional spit tines
